If one of your feet is larger (as is the case for most people), use the size of your foot is larger. They are the most common means to measure the size of the foot, and you've probably seen one before, if you've ever had your feet measured in a shoe. M⁺A S M⁺A S QUESTIONSANSWERED.NET Finding a good selection of stylish men's shoes in smaller sizes used to be extremely difficult. Offering boots and athletic, dress and casual shoes in sizes as small as a US 5, they offer widths up to 6E. In addition to carrying narrow, regular and wide widths, Zappos carries men's shoes starting in sizes as small as US 3 in casual shoes, and size 5 for dress shoes. If you fall into these size ranges, this site is definitely worth a look, as they carry a wide range of brands. One of the easiest ways of determining your shoe size is to trace an outline of both of your feet on a sheet of paper. Have someone help trace the outline of your foot using a pen. Photo Courtesy: Arthur Elgort/Conde Nast/Getty Images The easiest way to compare European and United States shoe sizes would be to refer to shoe size charts that are available on the websites of major shoe retailers and manufacturers. Hitchcock Shoes specializes in wide shoes, so if you have small and wide feet, this site is definitely worth a visit. This can be a problem, as wearing ill-fitting shoes has been connected with a number of foot conditions, including pain, deformity, corns and calluses.How to Measure Your Shoe SizeIf you⁺Are purchasing shoes from a brick-and-mortar store, have your feet professionally sized with a Brannock device if one is available. Photo Courtesy: JHU Sheridan Libraries/Gado/Getty Images A 2018 review of studies published in the Journal of Foot and Ankle Research suggests that people frequently misestimate either length or width of their feet rather than the shoes they wear. Stand straight with one foot on a sheet of paper, making sure to shift your weight forward to flatten your foot. They also offer some really cool styles of athletic shoes⁺ And will ship to other countries. Photo Courtesy: @BrannockDevices/Twitter You probably done⁺At have a Brannock device handy if you⁺Are ordering shoes at home, but that mean mean you⁺Are out of options. For women⁺As U.S. shoe sizes, add 31. If you plan to wear socks with the footwear, you should also have them on for the tracing. Another study by the American Orthopaedic Foot and Ankle Society showed that some 88 percent of women in the U.S. wear shoes that are too small for their feet. They have some great-looking styles in dress shoes in as small as US 4.5 (UK 3, NL 36). Other tools for measuring feet that you may encounter include Aetrex machines, which use scanners to determine the dimensions of your feet. You may also want to measure the widest part of your foot, as some online shoe retailers also have charts for shoe widths for a better fit. Located in Amsterdam, Stravers Shoes offers their own brand of quality shoes in smaller men's sizes. Use the measurements of your feet to determine your shoe size on any standard shoe size chart. If you are looking for women's shoes, here's a similar list of places to find small women's shoes. The site is a little tricky to navigate, as not all sizes are available in all widths, but it's fairly straightforward once you get the hang of it. During this process, your assistant should trace with the pen straight down and not angled into the sole or flaring away from your foot. They also have free shipping and returns. If you're looking for a men's size 6 or above, they'll most certainly have you covered in any shoe style.⁺ You can easily choose a size and width to shop for, as well as narrowing choices by brand, occasion, color, and style.⁺ (Buy Direct) Online Shoes has a great selection of men's casual shoes and boots as small as a US size 3, but you have to go up to a size 6 to find any real selection in dress shoes. The same survey offered random professional shoe sizings for women in London, and many were surprised to find out that they have been wearing the wrong shoe size all along.
