You can generate scripts directly from the results grid. SQL Complete offers a rich selection of enhancements such as simplified navigation, document sessions, execution history, tab coloring, highlighting, document profile for navigating between large SQL documents, tab restoration, execution alerts and notifications, various operations with the SSMS results grid, and much more. In addition, standardizing code structures and modules enables faster and more accurate investigation, testing, and troubleshooting. What do you get with dbForge SQL Complete? There's "greater efficiency in code revisions, faster troubleshooting and greater productivity of teamwork. Write, embellish, refactor your SQL code and increase your productivity with features included in SQL Complete but not available in SSMS and Visual Studio IntelliSense. SQL Complete effectively combats syntax errors and poorly formatted SQL code. Keeping your job safe is never so easy with the features SQL Complete session recovery. Our customers note that the SQL Complete's reporting tools and tools to work with the SSMS results grid make it exceptionally useful to their business intelligence departments. Most important features that help you increase productivity Encoding recommendations include instruction tips, statement expansions, simplified code navigation, and quick information about database objects. If you need to produce more outputs, SQL Complete will render it a simple task. SQL Complete lets you search, copy, and view the data represented in the SSMS results grid, and work with this data in several ways. Software companies use SQL Complete as part of their development cycle. Formatting Complete SQL Profiles helps developers much faster by offering smart context-based prompts. Available as an add-on for Visual Studio and SSMS, the tool offers excellent autocompletion capabilities. Another benefit highlighted by our customers is that SQL Complete offers .otaideemni ottefe .otemnafetmopoc li eravresso id ettemrep reggubed otseuQ .dilav non ittegg eoarvot id .Ahcnon ,saila ilg e ilbairav el ,esabatad led ittegg ilg eranimonir id ontonesnoc itnemurts itseuQ .ituvecir itad te sien idem irolav e emmos eraloclac a eratua rep atattegorp 'A ehc .itad led ittegg ilg emittit is ,eninf1 .itlovnioe esabatad idharg noc ehcnac ,ecacifice de ecolv oroval ei edner e duolC eruzA rep
